They teach the kids to love themselves and respect each other. The volunteers also teach them to love our nature and protect our environment. Through stories, games, activities, videos, and songs, the rainbow volunteers bring lots of love and joy to the kids. Many elementary school students get help and love from them. Have you ever seen anyone surfing? It looks like they are flying across the water on a magic board. One person who knows something about surfing is Bethany Hamilton.

Bethany, who was born in Hawaii in 1990, is not only a surfer but also a sports hero. Both her parents were surfers, and she had them teach her when she was very young. She joined her first competition at the age of eight, and she knew she

wanted to be a professional after that. So, she entered more events and even got the company Rip Curl to support her.

However, things changed in 2003. Bethany was bitten by a shark when she was surfing. She lost her left arm, and she was close to death. Although most people would be scared to go back in the water, Bethany was not. Surprisingly, she went surfing again a month after the accident happened. She never lost sight of her goal and kept competing. In 2007, she turned professional, and she won second prize at the Billabong ASP World Junior Championship in Australia two years later.

Bethany has written a book about her experience and called it *Soul Surfer*, which was turned into a movie in 2011. She is one of the world’s top surfers and an inspiration to all.

Life is a long trip.

Both good and bad things happen on the road:

People love and hate,

They share and hide things.

Some things make me smile;

Some things make me cry.

Some days are sunny,

Some days are rainy—

Life is a trip full of opposites.

I can't decide what will happen.

So I have decided to be happy right now,  
every minute of my life.

To remember all that is beautiful;

To let go of all that makes me sad—

In this way I will live my life to the fullest.
